PROFESSIONAL SUMMARY

Motivated and detail-oriented Software Developer (B.E. candidate, CGPA: 7.92) with hands-on experience in full-stack web development, API development, and database management. Proficient in Java, C++, JavaScript, Python (Flask), and responsive web design. Passionate about building scalable, user-centric applications and eager to contribute to innovative software development teams.

TECHNICAL SKILLS

Languages: Java, C++, JavaScript (ES6+), Python, DSA, OOP, Wordpress, Figma

Web Technologies: HTML5, CSS3, JavaScript, Responsive Web Design, Flask (Python)

Frameworks & Tools: Full-Stack Development, REST API Development, Git, GitHub

Databases: MySQL, SQL

Soft Skills: Problem-Solving, Communication, Teamwork, Agile Collaboration

EXPERIENCE

Full Stack Development Intern — GAOTek Inc.

August 2025 – May 2026(present)

- Developed and deployed full-stack web application features using HTML, CSS, JavaScript, and Flask, reducing page load time by 20%.
- Built and integrated RESTful APIs enabling seamless front-end to back-end data communication across 5+ application modules.
- Debugged and optimized SQL database queries, improving data retrieval efficiency by 25%.
- Collaborated in an Agile development environment, participating in sprint planning and code reviews.

PROJECTS

Placement Portal

HTML | CSS | JavaScript | MySQL | PHP

- Built a full-stack web platform connecting students with recruiters, featuring job postings, application tracking, and role-based dashboards; improved placement record retrieval speed by 35%.
- Reduced placement coordinators' manual data entry effort by 40% through an integrated application tracking and status management system.

Construction PDF Redactor

Python (Flask) | JavaScript | MySQL | PDF parsing library

- Developed a full-stack web application to automatically detect and redact sensitive information from construction documents, reducing manual review time by 40%.
- Implemented PDF parsing and pattern-matching logic to identify and mask confidential data fields across multi-page documents with 95%+ accuracy.
- Built a responsive front-end interface allowing users to upload, preview, and download redacted PDFs seamlessly across devices.

VENDOMART — E-Commerce Platform

HTML | CSS | JavaScript | MySQL | Node.js / Flask

- Designed and developed a fully functional e-commerce web application featuring product listings, cart management, user authentication, and order tracking for 100+ simulated SKUs.
- Integrated a secure REST API backend handling product inventory, user sessions, and order processing, reducing checkout flow steps by 30%.

Dental Clinic Management System

Java | MySQL | HTML | CSS | JavaScript

- Designed a clinic management system for patient records, appointments, and billing; automated invoice generation reduced billing processing time by 30% and eliminated double-booking with conflict detection logic.

Portfolio Website

HTML | CSS | JavaScript | GSAP | Three.js

- Engineered a fully responsive personal portfolio website showcasing projects, skills, and experience with smooth animations and optimized page load performance.
- Implemented GSAP animations and Three.js 3D visual effects to deliver an interactive, modern user experience with sub-2-second load time.

EDUCATION

B.E. in Computer Engineering

Savitribai Phule Pune University, Pune, Maharashtra

2026 – Present (Third Year)

B.Sc in Data Science

IIT Madras

ACHIEVEMENTS & ACTIVITIES

- ACES Department Head.
- College Football Team Captain.
- Completed 3+ full-stack software development projects during academic tenure demonstrating end-to-end development skills.
- Earned internship at GAOTek Inc. and successfully delivered production-ready features within defined sprint cycles.
- Maintained a CGPA of 7.92, ranking consistently among the top 20% of the class.
- Participated in college-level hackathons and coding competitions, developing competitive problem-solving skills.
- Active contributor to team-based academic projects, consistently recognized for communication and collaborative development skills.

LANGUAGES

ENGLISH, HINDI, MARATHI(Native).
